WHY EOCO ENGINEERING

Why EOCO

- “One Stop Shop
- Consultants and Engineers
- Local presence
- Account management
- Tailor made projects/ project teams
- Knowledge management / Experiences in network
- Alliances / Partnership

Why EOCO

Engineering

- Integrated planner and plant constructor, partner for all project phases
- Top references in all project sizes and all kinds of projects
- Satisfied clients

Occupation

- Specialized in chemical, food, cosmetic & pharmaceutical fields
- Comprehensive know-how regarding

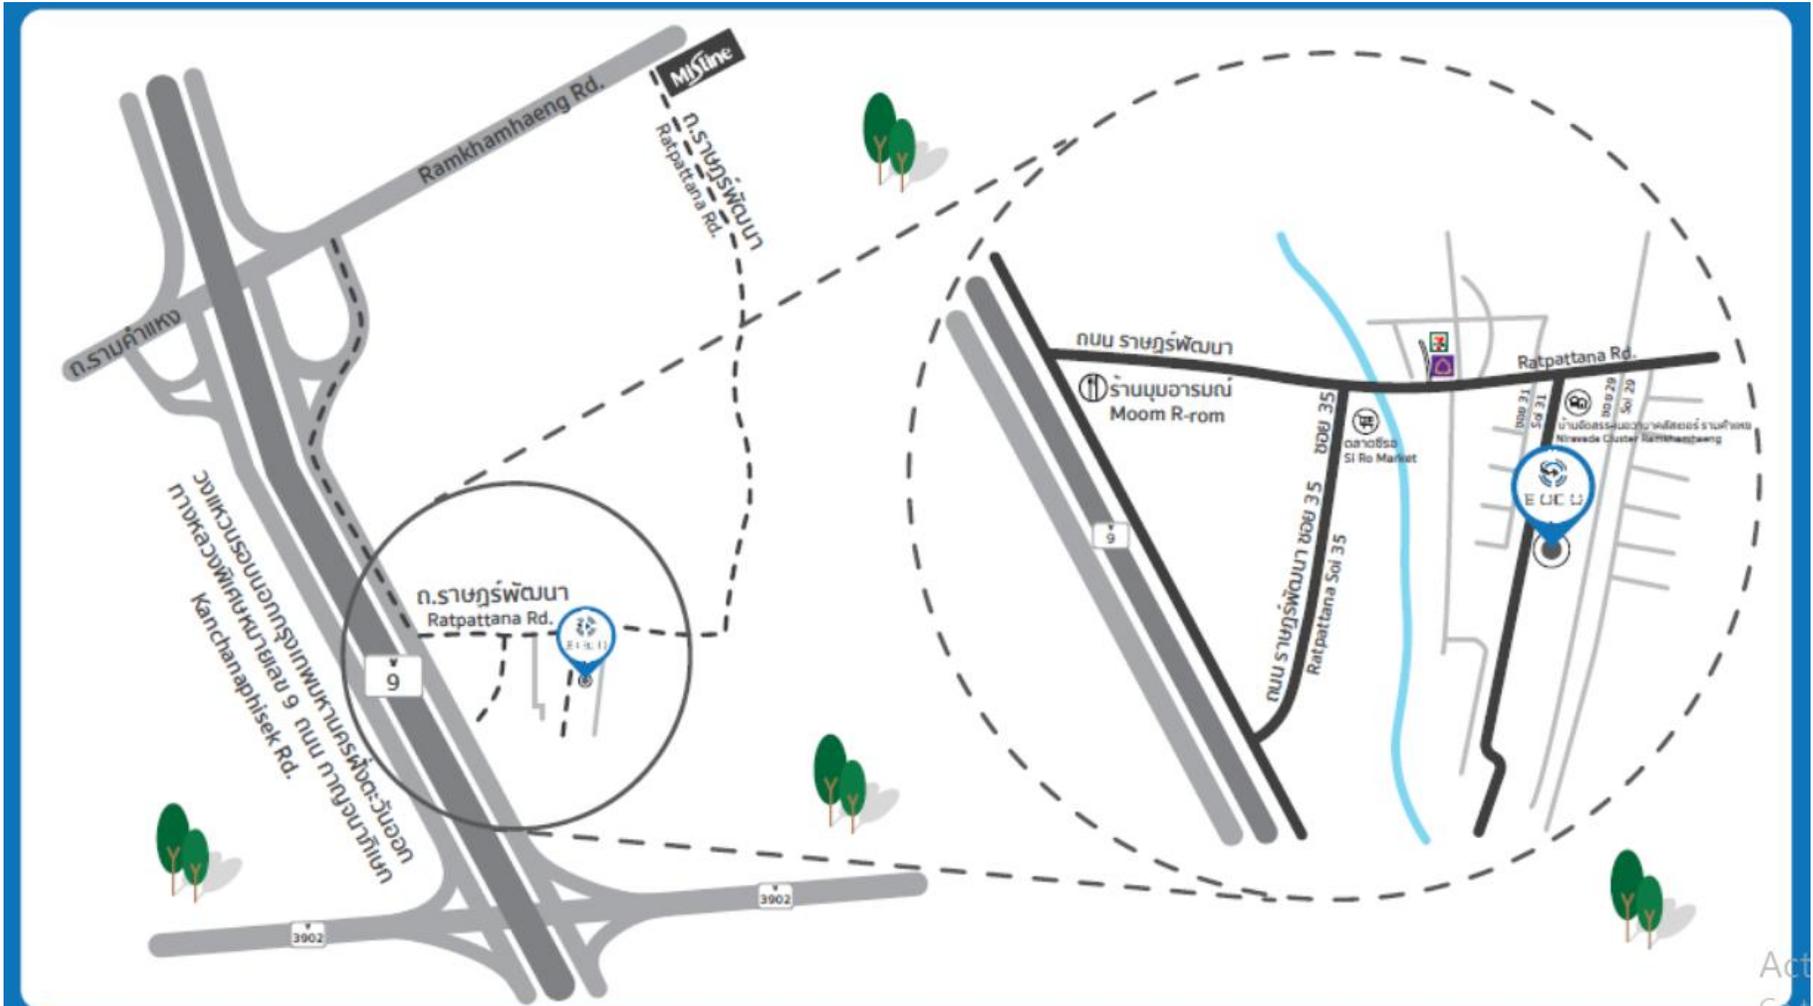

Component

- Modern methods for the project execution
- State of the art planning tool
- All critical utilities are covered in-house

Output

- Expertise You Can Count On, Outcomes You Can Measure
